

Creative, Innovative, Professional

Maria Regina College

Dear **student**,

1. You are now settling in, back to school after the summer holidays. You are ready for another scholastic year. I wish you the **best of luck**. You should be happy to meet your friends and the school staff.
2. There are so many people involved. They all do their best to offer you the education you deserve. **Be grateful** to all of them.
3. It is very important to **be happy** and **keep calm**. Help all others since that will make you feel better.
4. **Be respectful** to one and all. You should not use any word or do anything which makes the other/s feel bad.
5. **Follow the rules** since they are meant to help in the smooth-running of the school. You will be the first to benefit if everyone obeys them.
6. You have to **do your best** on a daily basis. Pay attention to the lessons. Study, do your homework and read. This will help you improve and become a better citizen. It will also give you the skills you need throughout your life.
7. I wish you a wonderful, memorable Scholastic Year. **Be proud** to be a student at Maria Regina College.
